PROFILE OF THE HUMANITARIAN

Humanitarian Awards Global is a prestigious, research-based award scheme that seeks to recognize and Award extraordinary individuals, companies and groups who are positively impacting the lives of people, nature and society in Global. The Awards is to identify, honour and celebrate a cross-section of the nation's most influential and accomplished businesses doing humanitarian works and leaders from a wide range of industries who are committed to improving lives and preserving the environment through their work and businesses. We believe that in putting the spotlight on these humanitarian efforts, it will not only celebrate them but help build a strong platform for them by giving voice and opportunities to the next generation of industry pacesetters while building a positive attitude. We have seen outstanding individuals and companies of trailblazers striving hard with dedication and perseverance by overcoming challenges and economic instability to impact lives and sustain the environment. These are the people or business we want to award.

THEME

Celebrating Change Makers

Our awarding board is seeking outstanding entrepreneurs, executives, managers and professionals in the public and private and non-profit sectors and will recognize attributes such as achievements in corporate social responsibility, community service and development as well as environmental protection.

Our categories cover a wide range of all the various sectors you can think of in the humanitarian, philanthropist and corporate social responsibilities, ranging from banking and finance, agriculture, theatre and arts, journalism, fashion, law, sports, event management, health, technology and innovation amongst others.

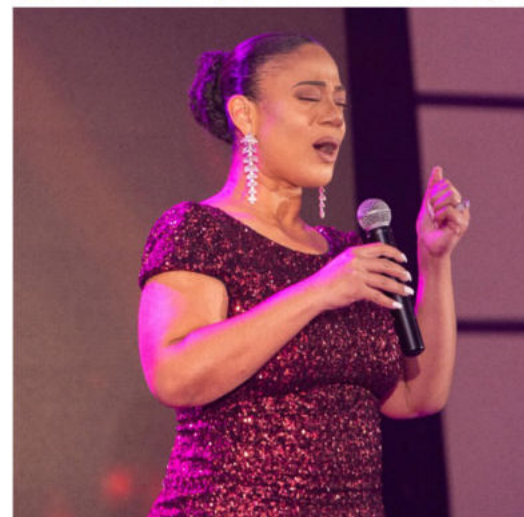

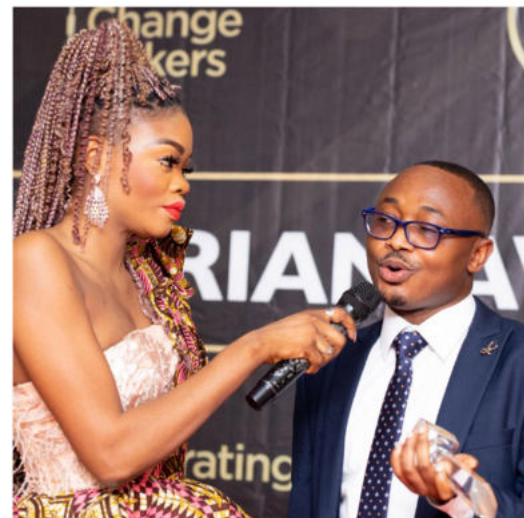

PURPOSE

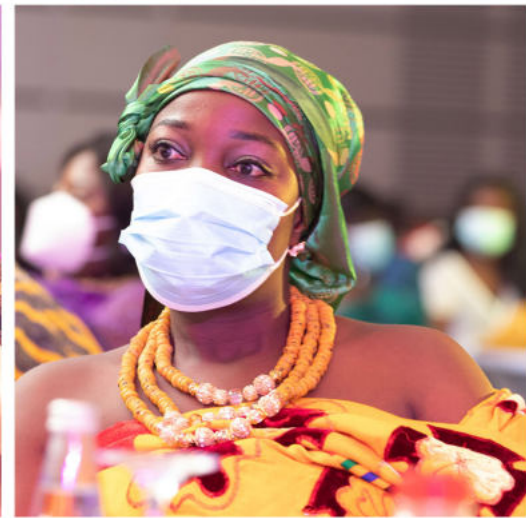

- To recognize and celebrate humanitarians who demonstrate or impact individuals or society through their exceptional leadership..
- To honor the outstanding individuals involved in the various fields of charity and humanitarian work
- To celebrate the exceptional contributions of organizations to social development.
